

Signing up for
our DAO

*“It’s like signing up for
Comcast after 3 hours of
hold music”*

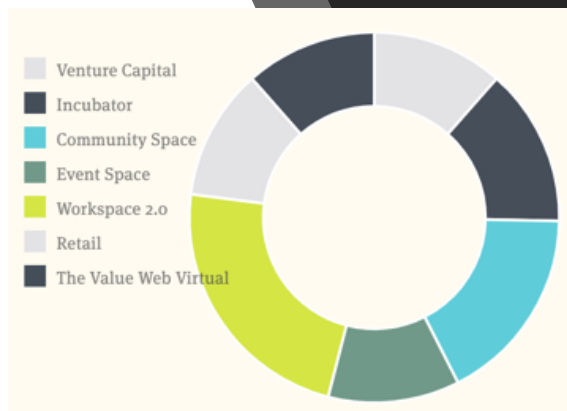

*“This might be the future,
but it is like engaging
with a utility bill in the
early 1900s”*

Alchemy DAOStack Platform

Day-to-day in the DAO world

Collaboration Code

Everyone gets reputation when they walk in the door. Members must invite other businesses and non-profits once a month. Members must recycle. No presentations over 10 minutes ever allowed in the Store. No bookable conference rooms. No individual practitioners. Be active in the DAO with a 40% or above reputation. Recommend/be recommended by another member or HumanOS (our Augmented Community Platform to break barriers across cities) Be inclusive and diverse - we need to be able to learn from our differences. Be willing to vacate The General Store 2 - 8 days a month (to allow for community/corporate events) Be published - everyone must share at a 'task' level what they do each day so each member can easily help others. Be inviting - welcome other organizations to benefit from The General Store community once a month. Be giving - pay quarterly into the DAO

Making it
Work

Cleaning in the DAO world
